Dear Therese,

Following the Parish Finance Council Meeting on Thursday 18th November, your proposal for the 2022 Fees for St Joseph's School have been endorsed as follows:

Tuition Fees – calculated on a sliding scale, according to the number of children per family

* Single Child	\$1,160 per year (\$290 x 4 terms)	
* 2 Child Family	\$2,204 per year (\$551 x 4 terms)	Discount \$116
* 3 Child Family	\$2,958 per year (\$739.50 x 4 terms)	Discount \$522
* 4 or more child Family	\$3,248 per year (\$812 x 4 terms)	Discount \$1,392

Fees are **payable in Advance** over **all four terms**.

Information Technology Fee

Information Technology Fee is \$120 per student. This fee is payable by the end of February. This IT fee is levied because of the growing need to provide quality technology to all school members, such as iPads and netbooks.

School Building & Maintenance Levy

This amount of \$680 (per family) has been maintained as per the previous four years. This levy is used for the service of the school building loans.

Fundraising Levy

The Finance Council agreed to continue the Fundraising Levy of \$100 per family and we understand that this levy has the support from the parent body, the Parent School Forum (PSF).

Every attempt has been made to keep increases to a minimum. Our Lady of the Rosary Parish Alstonville is committed in providing a Catholic education to all Catholic children whose parent/s or guardian/s desire it. We are also aware that some parent/s or guardian/s experience financial hardship. In spite of this, we will always endeavor to ensure that no catholic student from within the Parish be denied a place at our school because parents are genuinely unable to pay full fees.

Thanking you
